The Brooke Forbes Legacy Fund Application Process

It's easy to apply for funding from the Brooke Forbes Legacy Fund.

You have to be a registered Charity in Canada and you have to have a good idea for a project that provides minority youth with audio production skills.

The [application form](#) is short and the requirements for monitoring and documenting the project are not onerous.

The applications are reviewed by the Brooke Forbes Legacy Fund Advisory Committee which consists of Joan Andersen, Joy Crysdale, Karen Levine and Sid Sawyer. Brooke meant a lot to all of us and we feel privileged to be able to keep her dream alive.

We award approximately \$2200 each fiscal year. We are currently open for applications for 2012-2013.
